6. (Unclassified - ~~SECRET~~) LIAISON J. J. Hitchcock, State Department, called and inquired as to whether or not the Agency had made available to Mike Glennon and John Ritch, Senate Foreign Relations Subcommittee on International Operations staff, CIA documents concerning the Orlando Letelier assassination which had been provided to the Justice Department in connection with its investigation. Hitchcock said Glennon told him that such documents had been made available to him and was requesting that State Department make their documents available for review. After checking with [REDACTED] O/SA/DO [REDACTED], I called Hitchcock back and confirmed that we had provided the documents to Glennon for review after securing clearance from Justice. Hitchcock said he would check with Justice as to whether or not they have any objection to providing Glennon their documents on the subject.
